Examiner rubric

This is a plan of an indoor market. Here it shows left and right (*point to L and R on the plan*). You're going to hear someone talking about the indoor market. You'll hear the talk twice. These pictures (*point to the pictures*) show you some places and things in the indoor market. A person will tell you where these places and things are. Each picture has a letter. Write the correct letter in the circles on the plan. There's one circle that you do not need to use. There's an example to show you what to do (*point to where it says A on the plan*). Please look at the plan and the pictures now. You have 15 seconds (*wait 15 seconds*). Are you ready?

Audio script

This is a plan of the indoor market. There is a café on the left of the entrance, at the front of the market. It is always very busy. At the back of the market, on the right, there are some toilets. The bread is in the middle of the market. It always smells delicious! The books are on the right, in front of the entrance. There are usually lots of dictionaries here. The clothes are on the left of the market, next to the café. You can find the vegetables at the back of the market, on the left. Happy shopping!
