Sample Independent listening task 1 – Campsite map

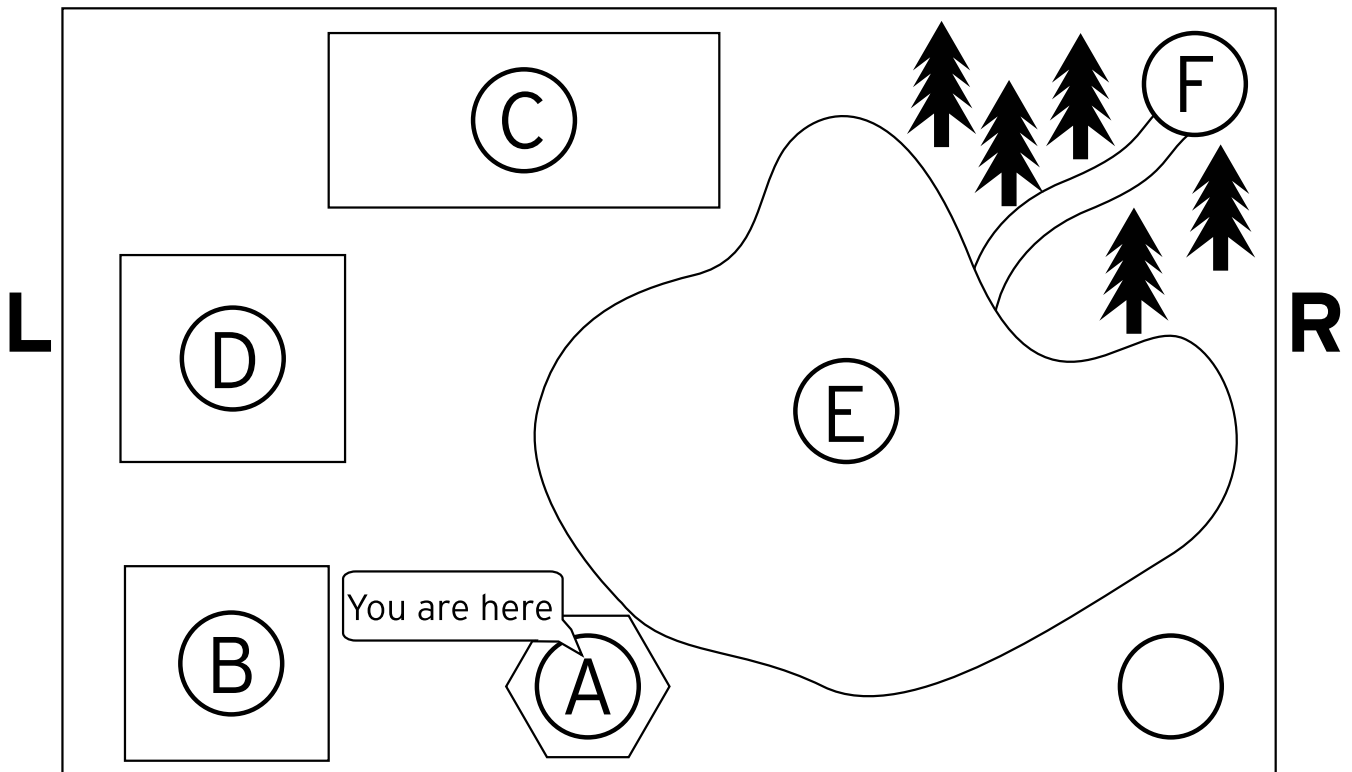

Examiner rubric

This is a map of a campsite. Here, it shows left and right (point to L and R). You're going to hear someone talking about the campsite. You'll hear the talk twice. These pictures (point to the pictures) show some places in the campsite. The person will tell you where the places are. Each picture has a letter. Write the correct letter in the circles on the map. There's one circle that you do not need to use. There's an example to show you what to do (point to where it says A on the map). Please look at the map and pictures now. You have 15 seconds (wait 15 seconds). Are you ready?

Audio script

So here we are at the campsite! I want you to look at this map so everyone knows where everything is. Now, see it says 'You are here'? That's where we are now at the information office and the shop is next to us the playground is opposite us. And over there, on the left, between the shop and playground – that's the toilets and showers. Between here and the woods you can see the camping area we're going to put up our tents there. And can you see there's a footpath it runs through the woods? That path leads to the beach.
